MRS MALONE

Mrs Malone is the most incredible Principal I have ever met. Mrs Malone is the Principal of Eltham Primary School. She works in her big warm office where some people go and show her their amazing, fantastic, brilliant work. Mrs Malone is wicked because I go to her sometimes and show her my amazing work. She gives me a Principals sticker for my hard earned achievements. Mrs Malone is a hard working, caring Principal that we love.

MY DOG BIT.

“Hi I’m Terrell. This is a story about my dog.”

Bit is my dog. He would be the nastiest and freakiest dog you would ever see. He is hairy like a Panda and ginger like a Squirrel. My dog is crazy like a rampaging elephant. My dog is massive he is the biggest dog I have ever met. I think my dog has very, very sharp teeth. He growls when he needs to go to the toilet and he barks when he is hungry.

MY MUM

Mum is kind because she always encourages me with everything I do.

She helps me with my cross country run by running beside me and talking to me. My mum is the best mum in the world because she helps me clean my room.

Mum is fun to play games with, she is hilarious.

MY MUM

In the morning when I get up and go to school she makes my bed for me. Mum is always amazing to me and my friends because she gives treats to us and lets them stay the night. She is a kind person because she helps me when I need it. She gives me encouragement and keeps me healthy. Mum has thousands of friends that are wicked, mum is wicked too.
